Dear Mr. James:

Since it began functioning last fall, the Collection and Liaison Division has received the following National Intelligence Estimates in a sufficient number of copies to permit retention of one copy for the use of the Office of Research and Intelligence?

NIE 10-7-54	Secret
11-4-54	Top Secret
24-54	Secret
34-54	Secret
53-54	Secret
62-54	Secret
63-7-54	Secret
92-54	Secret

In order to permit us to meet the needs of the Office of Research and Intelligence, will you please provide us one copy each of all other NIE's, SNIE's and SE's which are currently valid and releasable to this Agency?

It is our practice to handle Secret NIE's, SNIE's and SE's in the same manner as Top Secret material.

Yours truly,

Edward J. Carroll
Chief
Collection and Liaison Division
